

EVELO

Light, personalised and positioned beautifully

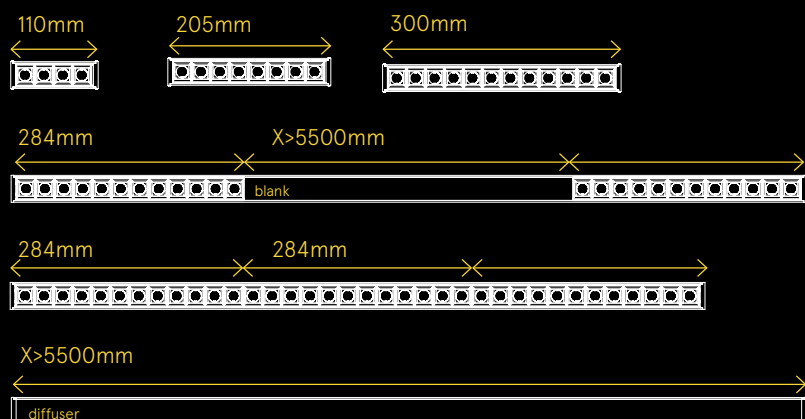

Evelo

Exuding effortless elegance, the Evelo range has glare free optics, a thoughtfully recessed light source, a variety of beam angles, indirect lighting capabilities as well as different finishing, joining and mounting options

The Perfect Fit

The Evelo lighting system innovatively combines high-quality optics within a slim profile in linear and modular configurations. Offering specified and custom lengths, the Evelo ensures optimal lighting in any space.

Ask us how else you can customise the Evelo to beautifully illuminate your next project.

Mitred Joins

Evelo offers mitre joins for custom shapes tailored to your design preferences.

To the side, and everything in between

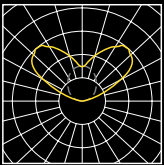

Evelo offers multiple mounting options, from wall-mounted to suspended, providing versatility for your project.

Focus and Control

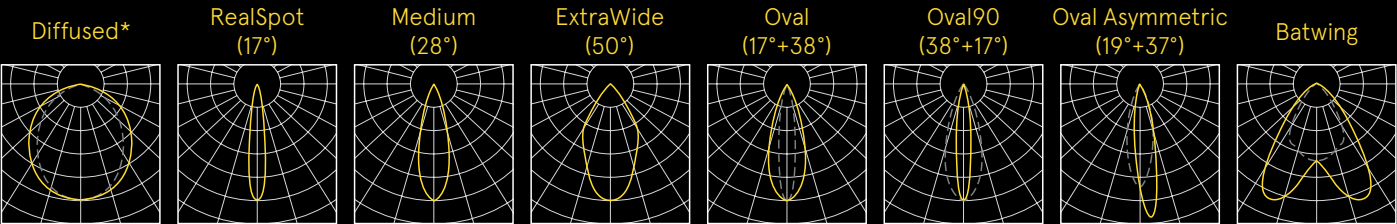

The Evelo’s light distribution is controlled through Glare-free optics, allowing you to focus the light in particular direction. Custom lengths of Plexiglas diffusers and blanks are also available.
