

LINEAR LED RANGE

POLAR

POLAR

Ø77mm

The Polar LED is a quintessential mLight luminaire, reminiscent of our most successful product the Advance LED. With fully customisable lengths, and three fitting rotation options shifting the beam angle, the polar is sure to turn heads. Double diffusion eliminates hot-spotting providing consistent, uniform light spread across the diffuser.

“ INTEGRATE
LIGHT
WITH LIFE,
BEAUTIFULLY.”

INTEGRATE LIGHT WITH LIFE, BEAUTIFULLY
